

**PROCEDURE INSURANCE INFORMATION**

**Patient Name:** \_\_\_\_\_

Thank you for scheduling your upcoming appointment. If you are advised to schedule a procedure, we ask that you please contact your insurance company to determine if you will be responsible for any out-of-pocket costs, such as a co-pay, co-insurance, and/or deductible for an outpatient procedure.

If you have been scheduled for a “screening” colonoscopy, this means that you have no signs or symptoms, and you have a set benefit for preventative screenings from your insurance company. However, if you have had a colonoscopy with polyp removal in the past, your next colonoscopy is not considered “preventative” or “screening.” A history of colon polyps changes the coverage determination. Again, it is important that you **contact your insurance company with the following codes** to determine coverage for your specific insurance plan. You can find the customer service telephone number on the back of your insurance card.

Procedure Code: EGD: 43239 COLONOSCOPY: 45380

Diagnosis Codes: \_\_\_\_\_ (these codes will be provided at your appointment)

**Please understand that there are four (4) separate charges, and you may receive up to four (4) different bills:** One from the surgical center, one from Dr. Dumois for the physician’s fee, one from the anesthesiologist, and one from the lab *if a biopsy is performed*.

**A colonoscopy is a very safe procedure, but as with any medical procedure, complications can occur (including but not limited to bleeding, infection, side effect from conscious sedation/diprivan, perforation that may require surgery such as colectomy/colostomy, cardiorespiratory arrest, spleen laceration, or aspiration pneumonia). There is also a 5% rate of missing colon cancer with a colonoscopy.**

Please call Dr. Dumois’ office at (407) 395-7040 if you must cancel your procedure. It is important that you let us know at least 48 business hours in advance in order to avoid the \$75 cancellation fee. We ask that you please give us the same courtesy when canceling an office visit. You will be charged \$25 for no-showing an office visit. *We do not accept cancellation messages left with the evening answering service or cancellations messages left with the surgical center; therefore, please contact the office during normal business hours or leave your message at (407) 395-7040 extension 1503.*

I acknowledge that I have read the above statement and will be responsible for my deductible, co-pay, and out-of-pocket expenses in the event that my scheduled procedure is not determined to be a covered benefit by my insurance plan.
